Akara Resources will now commence works to:

Kingsgate is also pleased to advise that Akara has commenced initial refurbishment works on Plant #1.

Kingsgate’s Executive Chairman, Mr Ross Smyth-Kirk, said “It’s a truly remarkable moment to see Chatree open again. We have always believed that having the mine operate again is the best possible outcome, and I would like to personally thank all our loyal staff who have worked so hard to make this happen and all our loyal shareholders who have stuck with us through thick and thin over the past 6 years”.

Kingsgate's Managing Director, Mr Jamie Gibson, said "The reopening of Chatree marks a new era for Kingsgate in Thailand, and we now have the opportunity to work with the Thai Government and local communities around the mine to make it the best version of Chatree we have ever seen".
